Inspirational Quotes:

Experience has taught me that civility is the most difficult part of Satyagraha. Civility does not here mean the mere outward gentleness of speech cultivated for the occasion, but an unborn gentleness and desire to do the opponent good.

Gandhi in "Gandhi – An Autobiography"

Empty the pennies from your purse into your mind and your mind will fill your purse with dollars and keep it full for forever.

Benjamin Franklin

Positive qualities and talents are often buried deep within us. Yet in so many of us, talents are buried like expensive minerals underground - minerals that only the expert can mine, wash and polish making them shine. Therefore our task lies in mining for our talents and then developing them

Al Qadri

Next time two paths appear before you, avoid the one of least resistance; a path with no obstacles rarely leads anywhere. Take instead the path that runs along the cliff – that one, the one without any guardrails. Take that path and know that the exhilaration of the ride and the pride you feel when you reach the end will inspire you to take that path again and again.

Harry Beckwith

Our behaviour is a function of our decisions, not our conditions...we have the initiative and the responsibility to make things happen

Stephen Covey

If something ails or bothers you it is not the thing itself but the importance you attach to it and that you have the power to change at anytime.

Marcus Aurelius

Mother Teresa Quote on People

"People are often unreasonable, illogical, and self-centred, forgive them anyway. If you are kind, people may accuse you of selfish, ulterior motives, be kind anyway. If you are successful, you will win some false friends and some true enemies, succeed anyway. If you are honest and frank, people may cheat on you. Be honest and frank anyway. What you spend years building, someone could destroy overnight; build anyway. If you find serenity and happiness, they may be jealous; be happy anyway. The good you do today, people will often forget tomorrow; do good anyway. Give the world the best you have, and it may never be enough; give the world the best you've got anyway. You see, in the final analysis, it is between you and God; it was never between you and them anyway."

Never, never, in nothing great or small, large or petty, never give in except to convictions of honour and good sense. Never yield to force; never yield to the apparently overwhelming might of the enemy.

Winston Churchill

Happy are those who dream dreams and are ready to pay the price to make them come true.

Leon J. Suenes

Most of the important things in the world have been accomplished by people who have kept on trying when there seemed to be no help at all.

Dale Carnegie

If you want to get somewhere you have to know where you want to go and how to get there. Then never, never, never give up.

Norman Vincent Peale

Perseverance is a great element of success; if you only knock long enough and loud enough at the gate you are sure to wake up somebody.

Henry Wadsworth Longfellow

Most people give up just when they're about to achieve success. They quit on the one yard line. They give up at the last minute of the game, one foot from a winning touchdown.

H. Ross Perot
